

Your financing partner in a challenging economy

Philips Medical Capital

Does instability in the banking sector have you looking for new ways to finance your business?
Does your operating income continue to be weak, along with your investment income?

Philips Medical Capital (PMC) provides innovative financing solutions tailored for the healthcare community. In today's financial climate, the pressures of accessing the capital necessary to maintain clinical superiority and manage increasing patient volume are more challenging than ever. PMC offers a reliable source of funds, industry expertise and a commitment to simplicity. Let us collaborate on a custom financial solution to meet your individual business needs.

PMC stands ready to help as a strong and stable partner, eager to discuss your acquisition plans and financing needs. PMC is a joint venture between Philips Healthcare and De Lage Landen, a division of Dutch-owned, AAA-rated Rabobank.
