

# Trust and confidence

Seeing is believing at the Diamond Select refurbished systems facility

Some companies in the market may offer less expensive, pre-owned systems, but how can you be confident that you are buying from a trustworthy source? For refurbished systems with like-new quality and performance, trust in Philips Diamond Select, featuring:

- A 12-month (same as new) system warranty
- Philips Clinical Education
- Latest software release levels and system performance updates
- Genuine Philips certified parts
- New glassware/crystals (X-ray, CT, and NM equipment)\*

Schedule a visit to the Philips Healthcare refurbishment operation in Cleveland, Ohio. When you visit the Philips refurbishment facility you can appreciate the attention to detail and notice the quality difference right away. Simply stated, you will understand why we say, "seeing is believing"!

- New state-of-the-art building opened in 2008
- ISO certified
- Built 100% according to Philips sustainability guidelines
- Refurbishment operations include Nuclear Medicine (SPECT & PET), MR, CT and Surgery C-arms

To schedule a factory visit contact your local Philips representative.

\* In some rare cases, glassware/crystals are nearly new, therefore replacement is not necessary.
