

This is a hands-on program
that addresses the growing use of
ultrasound in performing regional anesthesia

and is presented by the

American Society of Regional Anesthesia
and Pain Medicine
The Leader in Ultrasound Education

ASRA would like to thank these supporters
of the 2009 Excellence in Regional Anesthesia Workshops

Excellence in Regional Anesthesia Workshops - Ultrasound and Nerve Stimulation Techniques

**Due to extreme popularity in 2008,
ASRA will once again present these outstanding workshops!**

Choose from these dates and locations:

April 18-19, 2009

Baltimore Marriott Waterfront
Baltimore, Maryland

May 30-31, 2009

Sheraton Fisherman's Wharf
San Francisco, California

June 27-28, 2009

Embassy Suites Chicago-Downtown/Lakefront
Chicago, Illinois

July 18-19, 2009

The Fairmont Olympic Hotel
Seattle, Washington

September 12-13, 2009

The Biltmore Hotel
Coral Gables, Florida

September 26-27, 2009

Hilton Newark Penn Station
Newark, New Jersey

**Each workshop is limited to 50 participants!
Register early as these workshops sell out quickly!**

Program at-a-Glance

Saturday

7-8 a.m.	Breakfast and Registration
8-9 a.m.	Introduction, Pretesting Didactic Lecture Basic Principles/ Knobology/Sterility during Ultrasound Procedures
9-10:30 a.m.	Breakout Sessions (1st rotation) Brachial Plexus Blocks above the Clavicle
10:30-10:45 a.m.	Break
10:45 a.m.- 12:15 p.m.	Breakout Sessions (2nd rotation) Brachial Plexus Blocks below the Clavicle
12:15-12:45 p.m.	Lunch
12:30-2 p.m.	Breakout Sessions (3rd rotation) Blocks of the Abdomen/Spine
2-2:15 p.m.	Break
2:15-3:45 p.m.	Breakout Sessions (4th rotation) Lower Extremity Femoral/Saphenous
3:45-4 p.m.	Break
4:30-5:30 p.m.	Breakout Sessions (5th rotation) Pitfalls/Phantom Practice

Sunday

7-8 a.m.	Breakfast
8-9:30 a.m.	Breakout Sessions (6th rotation) Lower Extremity Sciatic/Popliteal
9:30-10 a.m.	Didactic Lectures Billing, Business Plan Local Anesthetic Toxicity Questions and Answers
11:30 a.m.-noon	Post Testing

Accredited for up to 11.5 CME credits.

Registration Information: Registration for each workshop is limited to 50 registrants and is filled on a first-come, first-served basis. These workshops will fill up quickly, so register early!

The registration fee for the Excellence in Regional Anesthesia Workshops is \$695 for pre-registration and \$795 for on-site registration. Registration includes participation in the program, breakfast, lunch, breaks and course materials. The pre-registration cut-off date is 30 days prior to the first day of the designated workshop.

Refund Policy: A refund less \$100 administrative fee will be given if cancellation notice is received up to one week prior to the start of the designated workshop. No refunds will be given if cancelled within seven days of the designated workshop.

Target Audience: This program is designed for regional anesthesia practitioners current using or wishing to incorporate the use of ultrasound technology in the administering of regional nerve blocks. All clinical lectures will address aspects of ultrasound anatomy, performance of the block, ultrasound versus nerve stimulation versus both, local anesthetic choice and dosing.

Objectives: After participating in this educational activity, participants should have an understanding of the clinical aspects of ultrasound anatomy, knowledge of the difference between ultrasound and nerve stimulator and the choice of local anesthetics and dosing in the administering of brachial plexus blocks both above and below the clavicle, blocks of the abdominal, blocks of the lower extremities and paraspinal blocks. Participants will also have an improved understanding of basic principles, knobology and sterility during ultrasound procedures as well as knowledge of billing, business plans and local anesthetic toxicity as these relate to ultrasound-guide regional anesthesia.

Accreditation and Designation: The American Society of Regional Anesthesia and Pain Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The American Society of Regional Anesthesia and Pain Medicine designates this educational activity for a maximum of 11.5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclaimer: The information provided at this CME activity is for continuing medical education purposes only. It is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options for a specific patient's medical condition.
